

## List of Potential Topics/Activities for Further Actions/Cooperation

### PART I

- ❑ **Develop National Action Plan** for GPP
- ❑ **Study** on economic impacts of GPP (monopoly vs SMEs)
- ❑ **Review** existing framework conditions, porcedures and policy/economic incentives for GPP/eco-labeling, conduct related capacity building
- ❑ **Establish** a GPP and Eco-Labeling network in ASEAN for knowledge strengthening, training and information sharing
- ❑ **Improve** awareness and marketing for green products
- ❑ **Harmonize** the criteria development and certification process for mutual recognition of labels
- ❑ **Conduct** a pilot test process for mutual recognition of labels (using common products on GPP list of the countries), set up a network/group to establish a process for harmonization of labels
- ❑ **Introduce and test** the LCC approach by piloting with 1 product in several countries
- ❑ **Conduct** market survey for regional products for regional harmonization of labels
- ❑ **Analyze / Integrate** climate-friendliness criteria into green products
